

## **MATF/AMPF MENTORSHIP PROGRAM AVAILABLE...**

**Are you an experienced Basic French Teacher with much expertise to share?**

**Consider enriching your professional learning and practice by participating in our 2010-2012 Mentorship Program!**

MATF/AMPF is currently seeking skilled and dynamic Basic French Teachers to act as mentors to teachers new to the Basic French program.

**As this program uses a coaching approach, mentors will not be paired with individual teachers but will work as part of a team to better support the mentees.**

This collaborative approach will also provide you with the opportunity to network with other experienced teachers and expand your own repertoire of teaching ideas and strategies. We are looking for a 2 year commitment and will only require mentors to be out of their classrooms for 2-3 sessions per school year. Costs of the Mentorship Program will be covered by MATF/AMPF.

**Please indicate your interest by filling out the Basic French Mentorship Form and forward it to Fernando Batista, Mentorship Program Coordinator.**

## **MATF/AMPF MENTORSHIP PROGRAM AVAILABLE...**

**Are you a New Basic French Teacher or a Teacher New to Basic French and would like the opportunity to be mentored by an experienced teacher?**

**Consider enriching your professional learning and practice by participating in our 2010-2012 Mentorship Program!**

As a participant in this 2 year program you will benefit from working in partnership with a team of experienced French teachers. For the 2010-2011 school year, this teaming of teachers will take place on three separate occasions from November to April. In addition to a meeting to prioritize your needs as a new basic French Teacher you will participate in a Make and Take Workshop as well as an information session at DREF (Direction des ressources éducatives françaises). The final session for the year will provide an opportunity for reflection and planning for the second year of the Mentorship Program.

Costs of the Mentorship Program will be covered by MATF/AMPF.

**Please indicate your interest by filling out the Basic French Mentorship Form and forward it to Fernando Batista, Mentorship Program Coordinator.**
